

Sudoku

All Sudokus are completely random generated, unique and solvable by logic only (with the exception of level "evil").

A collection of various numbers (0-9) in different sizes and orientations, scattered across a white background. The numbers are rendered in a bold, sans-serif font. Some numbers are large and prominent, while others are small and barely visible. The numbers are scattered across the white background, with some appearing in the top left, some in the middle, and some in the bottom right. The numbers are in various orientations, including horizontal, vertical, and diagonal. The numbers are in various sizes, ranging from small to large. The numbers are in various colors, including black and white. The numbers are in various styles, including bold and regular. The numbers are in various fonts, including sans-serif and serif. The numbers are in various sizes, ranging from small to large. The numbers are in various orientations, including horizontal, vertical, and diagonal. The numbers are in various colors, including black and white. The numbers are in various styles, including bold and regular. The numbers are in various fonts, including sans-serif and serif.
