Solutions

A collection of various numbers (0, 1, 3, 4, 6, 7, 8, 9) in different sizes and orientations, some with small squares, scattered across a white background. The numbers are arranged in a non-uniform, abstract pattern. Some numbers are large and bold, while others are small and thin. Some numbers have a small square inside them, and some have a small square next to them. The numbers are scattered across the white background, with some appearing in the top left, some in the top right, some in the middle, and some in the bottom. The numbers are arranged in a way that suggests a random distribution, but there are some subtle patterns, such as the numbers 0, 1, 3, 4, 6, 7, 8, and 9 appearing in the top left, and the numbers 0, 1, 3, 4, 6, 7, 8, and 9 appearing in the top right.
